I'd like to congratulate Bob Pasquarello and all the musicians for the spectacular success of the March 13 Special Anniversary Dance. According to the feedback I received, the music was wonderful, the dancing loads of fun, and the celebration was marvelous. On behalf of SPUDS and the greater dance music community, I'd like to express a hearty and sincere, "Thanks," to Sarah Gowan for master-minding and publishing TUNEADELPHIA and all the composers, artists, and editors who contributed to this fine effort. And there are even matching T-shirts to boot!
